

Dear Student,

Thank you for showing interest in **Industry Connect!**

We need your introductory video to help us know you better. We will not share the video with anyone, so please feel safe to upload your video on YouTube as a private link.

The instructions to upload your introductory video are outlined below:

1. Record a **1-minute video** of yourself. Include who you are, your interests, your future goals, your inspirations and why should we hire you.
2. Please name the video as "First Name_Last Name_College Name_Introductory video" (e.g, John_Doe_IIT Bombay_Introductory Video).
3. Upload the video to YouTube or Google Drive.
4. **Copy-paste the link** into the form for Industry Connect.

All the best for your placements!
